1 Introduction

With the introduction of Finance Commission (FC), a sum of Rs 26608.4 crore have been assured to be devolved to Gram Panchayats (GPs) during the period of 2020-26 which provides them an enormous opportunity for local self-development at the cutting-edge institutional level of Gram Panchayats (GPs) and hence a robust mechanism was required which focuses on integrated plan creation, monitoring of fund flow and improved transparency through use of technology.

Regarding this, State took a paradigm shift from traditional planning approach to introduce an integrated planning system viz. Gram Panchayat Development Plan (GPDP), as per Ministry of Panchayati Raj, Government of India, Guidelines, in all Gram Panchayats for creation of Annual Plans by GPs capturing local needs by visualizing the annual budget of every GP following a decentralized, participatory, bottom-up planning process. Hence a unified plan of a Gram Panchayat comprising funds from the Fifteenth Finance Commission (FC), State Finance Commission (SFC) & other schemes may be formulated.

The annual Plan consists of works to be done across the year in the Gram Panchayats. Department of Panchayati Raj, Uttar Pradesh (DoPR) lacks the technical manpower for civil works in the Gram Panchayats. Hence, **DoPR has decided to do district wise empanelment of the Private individual Architect / Consulting Engineer (Civil) on work basis payment mode. Architect / Consulting Engineer (Civil) would be paid against the work done by them for the Gram Panchayats.**

2 Eligibility

Any Individual can apply for empanelment as an **“Architect / Consulting Engineer (Civil)”** in Department of Panchayati Raj, Uttar Pradesh is eligible, if fulfilling the provided eligibility criteria and other conditions are satisfied. The Empaneled **“Architect / Consulting Engineer (Civil)”** should not have full-time employment in any organization/company. Candidate shall have to abide by all the rules made herein and as amended from time to time, during the tenure of their empanelment.

3 Scope of Work & Job Description

The scope of work includes but is not limited to site survey, preparation of concept / master plan, preparation of detailed architectural and structural design, preparation of preliminary / working drawings, BOQ and detailed specifications, planning, rehabilitation of structures, and periodic inspection and evaluation of works etc.

The empanelment with DoPR will entitle to be considered for different civil works to be taken by the Gram Panchayats of the empaneled Districts. It shall not confer any right on the architect /Engineer either to be necessarily getting the work by Gram Panchayats.

The Broad Scope of work of the Empaneled Consultants are as follows:

1. To prepare estimates of works/Projects taken by the Gram Panchayats.
2. Map / Layout design of the work.
3. Preparation of MB of the works.
4. Other related civil works awarded by the Gram Panchayats.

4 No. of candidates to be Empanelled.

- I. DoPR wishes to do District wise empanelment of the Architect / Consulting Engineer (Civil). DoPR reserves the right to limit the number of architects and consultant to be empaneled. **It is envisaged to empanel around 25 Architect / Consulting Engineer (Civil) per District. The total no of candidates to be empaneled is 1875. DoPR will have the right to increase or decrease the count of posts without any prior notice.**
- II. The district-wise empaneled list would be provided to District Magistrate who would be allocating the Blocks to the empanelled individual as per requirement.
- III. The work of the empanelled Architect/ Engineer would be monitored by the State Quality Monitors appointed for the purpose at the State Level.
- IV. State Quality monitors would be doing the monitoring and evaluation of Gram Panchayat civil and other works.
- V. State Quality monitors would be doing the evaluation and monitoring work of drinking and sanitation work of the Gram panchayats.

5 Consulting fee

Govt of UP has decided to give 2 % fees of total estimated value of the Project for Design / Preparation of estimates and preparation of MB Books for the works of Gram Panchayats.

- I. 1 % Fee for Design and estimate Preparation
- II. 1 % Fee for Preparation of MB Books.

Note: If the Engineer who has done the estimation is not present at the time of MB for any reason, then the Gram panchayats can get the work done by any other Empanelled Engineer by paying 1 % Fee for the same.

6 Eligibility Criteria

The following eligibility criteria are defined for the candidates. The candidate must meet below mentioned criteria's to be eligible for the empanelment process.

a. Educational Qualification & Age:

EDUCATIONAL QUALIFICATION	B. Tech or BE (Civil) / 3 Year Diploma (Civil) / B. Arch.
Age	18 Year to 65 Year.

b. Full time employed candidate in any government / private company will not be eligible.

c. The candidates would be empaneled in the district of their permanent resident ship.

7 Empanelment Period

The empanelment will be valid for a period of three years from the date of empanelment. The empanelment period may be extended by another 02 years as per rules and regulation of the DoPR. However, the empanelment may be revalidated, in accordance with the rules in this regard. Each revalidation shall be for a period of one year from the date of expiry of previous empanelment / revalidation. The empanelment shall be open for review by the DoPR and liable to termination, suspension, or any other such action at any time, if

considered necessary, by the DoPR after issue of due notices to the architect(s) / consulting Engineers.

8 Important Dates
