V. METHOD OF SELECTION

A. Engineering

Selection will be based on percentage of marks scored by the candidates in the qualifying Diploma/Degree, as the case may be.

1. *The percentage of marks obtained by the candidate in Bachelors degree / Diploma and as awarded in the final qualifying examinations will be calculated based on the practice followed by the University / Institution from where the candidates has obtained the Degree / Diploma.*
2. *In case the candidate is awarded grades / CGPA instead of marks, the percentage of marks will be based on the procedure followed by the University / Institutions from where he / she has obtained the Bachelor Degree / Diploma*
3. *In the absence of any established scheme in the University / Institution for calculation of percentage of marks, the following principles will apply*
 - a. *In case the candidate is awarded Grades / CGPA, then the equivalence in percentage of marks will be established by multiplying the Grade / CGPA by a factor of 10.*
 - b. *In case the candidate is awarded marks semester wise, then the equivalence in percentage of marks will be established by taking the average of percentage of marks obtained by the candidate in all the semesters from II year to final year, considering the semester wise average.*
 - c. *In case the candidate is awarded marks year wise, then the equivalence in percentage of marks would be established by taking the average of percentage of marks obtained by the candidate in all the years from II year to final year, considering year wise average.*

B_Non – Engineering

Selection will be based on percentage of marks scored by the candidates in all subjects in XII Std. (HSc.,) examinations.
